

EXPORT-PRICE LIST 2007

750 Portofino de Luxe
900 Riviera de Luxe

Boesch

750 PORTOFINO DE LUXE

This new model boasts a large sun lounge, a spacious cockpit for 5 – 6 people with a L-shaped lounge and an air suspension helm seat that is adjustable both in height and distance from the dashboard. The large storage area in the bow, the built-in refrigerator in the cockpit and the foldaway canopy top all make it perfect for day-to-day use.

MEASUREMENTS

Length (Lh)	7.50 m
Length overall (swim platform turned down)	7.80 m
Beam (Bh)	2.46 m
Beam overall (incl. rubbing strakes)	2.50 m
Weight (2 V8 engines)	2,500 kg
Draught	0.65 m
Design category	C

STANDARD ENGINES New: 2x 350 CID MPI Mercruiser-V8 engines. 2x 220 kW (2x 300 HP) with reduction gearbox Velvet-Drive, 1.303:1 reduction. Diesel engines available upon request.

TERMS AND CONDITIONS

- The terms and conditions applicable to sales, delivery, payment, and warranty are the "General Terms and Conditions of the Swiss Boating Association", accepted as binding by the purchaser when placing an order. Legal venue: CH-8810 Horgen ZH, Switzerland.
- The prices in this brochure are export prices quoted in Euro and are to be interpreted as follows: For the 750 Portofino de Luxe model: free of charge to Swiss Border crossing, excluding any packaging required or any transport charges. For the 900 Riviera de Luxe model: ex shipyard, excluding any packaging required or any transport charges.
- Separate delivery of parts: excluding packaging, directly from wharf.
- In all cases, the purchaser bears the risk of transport, even when the boat or the goods are delivered free of transport charges.
- The company reserves the right to make changes to prices or construction at any time and without special notice. The current price list replaces any tariffs or offers published previously and is valid until 31 August 2007. CH-8802 Kilchberg/Zurich, 1 January 2007, Boesch Motor Boats Ltd.
